

R. E. MANSFIELD DIES EARLY TODAY

Rushville Man Passes Away at Methodist Hospital Following Second Operation Performed Recently

RESIDENT HERE EIGHT YEARS

In Consular Service Almost 20 Years After Spending Number of Years in Newspaper Work

Robert E. Mansfield, age fifty-nine years, former United States consul and newspaper man, and a resident of Rushville for the past eight years, passed away this morning at one o'clock at the Methodist hospital in Indianapolis.

Mr. Mansfield was in the government consular service almost twenty years and formerly was editor of the Muncie Times, city editor of the Indianapolis Journal, predecessor of the Star and part owner and editor of the Marion News, which later became the Marion Chronicle.

ROBERT E. MANSFIELD

The funeral services will be held at St. Paul's Methodist Episcopal church Sunday afternoon at two-thirty o'clock in charge of the pastor, the Rev. Henry W. Hargrett, and burial will take place in East Hill cemetery at Arlington.

While a very deep shock to relatives and friends, Mr. Mansfield's death was not wholly unexpected, as he had been ill all summer and a number of times before he was taken to the Methodist hospital for treatment and operations, his condition was extremely critical.

Mr. Mansfield underwent a second operation, since being taken to the hospital about a month ago, last Friday (one week ago today) and since that time not very much hope had been held out for his recovery by attending physicians.

Dr. Lowell M. Green, who was the Rushville physician in attendance, (Continued on Page Six)

DEFENSE MOVES TO GET VERDICT OF NOT GUILTY

Asks Court to Instruct Jury to Acquit John J. McNamara, Accused of Blackmail

FINAL EVIDENCE BY STATE

Indianapolis, Ind., Sept. 18—(U.P.)—A motion to instruct the jury to return a verdict of not guilty was filed by defense attorneys today in the trial of John J. McNamara immediately after the state had rested its case.

The defense claims Prosecutor Remy had failed to produce evidence supporting the charges of blackmail against McNamara for his activities as head of the structural iron workers union.

The jury was sent from the court room while arguments were heard on the motion this afternoon.

Prevented by ruling of the court from introducing what he regarded as his most important evidence, Prosecutor Remy put two witnesses on the stand during the morning session.

The state witnesses, Charles Pierson and Fred Jungelaus, told of threats made by McNamara during construction of the Elks' club here.

One more witness for the state is on his way to Indianapolis but it is doubtful whether he will be heard.

MARION DRUG STORE CLOSED

Accused of Selling Jamaica Ginger to Soldier Patients

Marion, Ind., Sept. 18—(U.P.)—The Tien drug store located near the Marion National sanitarium for war veterans was closed today by a court injunction for the sale of Jamaica ginger to patients at the sanitarium.

The case was brought as a test on the right of druggists to sell Jamaica ginger for beverage purpose under the Wright Bone dry prohibition law.

Criminal charges under the Wright law have been filed against the owner of the store and proceedings to close several other drug stores may be instituted soon, according to Sheriff Remberger.

MAN 72 YEARS OLD IS ON TRIAL TODAY

Everett Swain of Milroy, Submits Case to Jury, on Charge of Assault and Battery

AS AGAINST TONE TOMPKINS

Defendant Was Found Guilty and Fined in Justice Stech's Court, and Took an Appeal

Everett Swain of Milroy, who is 72 years of age, was on trial today in the circuit court, charged with assault and battery, and the jury was given the case this morning at eleven o'clock and had failed to reach an agreement at three o'clock this afternoon. The alleged assault took place about September 25, last year, according to the testimony offered at the trial.

Today was the second trial in the case, as the charge was originally filed in Justice Stech's court, and was tried last fall, October 10, when the defendant was found guilty and convicted on the charge. In this trial, he was fined \$5 and costs, which in all amounted to \$26.65.

The defendant then appealed the case to the circuit court, where it was carried through several terms, and set for a hearing today.

The prosecuting witness in the case was Tone Tompkins, who charged that the defendant first threw a board at him, and then pulled out his knife and struck him across the hand with it. Several witnesses were used, although none of them witnessed the fight.

It was the first time the new court term that the jury was called, and not much difficulty was experienced in getting the twelve jurors.

Those who heard the case were John J. Brown, Luther Renegar, Samuel Cohee, Leon McDaniel, Samuel R. Newhouse, John O. Hill, John K. Stiers, Job Stevens, Elmer Morris, Elmer Caldwell, Harry Armstrong and W. H. McMakin.

BANDITS ABANDON STOLEN CAR

Forced to Leave Auto When Police Chase Becomes Too Warm

Indianapolis, Ind., Sept. 18—Police today searched for three auto bandits who abandoned a stolen car here last night after a chase by half a dozen policemen.

The auto was stolen from J. T. Akers of Indianapolis, as he was driving near Lafayette. The bandits stopped him, forced him to get out of his car and drove toward Indianapolis.

Police were on the lookout for them when they reached the city but they evaded pursuers and abandoned the auto.

AUTO THEFT CHARGED

Indianapolis, Ind., Sept. 18—Roscoe Thomas, 23, Vincennes, Ind., and Harry Kruger, 20, St. Louis, were under arrest today charged with stealing an auto from W. R. St. Claire of Indianapolis.

FINDS LIVE BEE IN CRAW

Noblesville, Ind., Sept. 18—While cutting up a chicken to be served at the local hospital, Lens Brown, nurse, found a live bee in the craw, she told hospital authorities. As soon as the craw was opened, the bee flew away, she said.

VICTIM OF ASSAULT RELATED IN COUNTY

Edna Boswell, 14, Slain by Negro Near Addyston, O., Neice of John B. Lanham

MURDERER UNDER ARREST

Edna Boswell, age fourteen years, who was assaulted and slain by a negro near Addyston, Ohio, Wednesday afternoon, was a neice of John B. Lanham, who lives on the P. A. Newhouse farm east of Rushville.

Mr. Lanham has just returned from Addyston, where John H. Lewis was arrested Thursday night for the murder, and confessed after being taken to Cincinnati by officers.

Mr. Lanham wished to correct the report first sent out from the scene of the murder that a gray-haired white man was suspected of the crime. This was the first information given out by the authorities at North Bend, Ohio, and the clew regarding Lewis was not passed on to the officials until late Thursday.

Lewis's arrest was due to information supplied by Booker T. Hightower, another Addyston negro. Hightower was trying out several hunting dogs in the vicinity of the murder Wednesday afternoon and saw Lewis. He asked Lewis what he was doing there and received an evasive answer. Hightower was puzzled by the answer, and suspected that something was wrong.

Wednesday night he kept his suspicions to himself until late that night when he learned of the finding of the girl's body. Fearing that the information might cause trouble in the negro quarter of Addyston, he kept it from the authorities, but communicated it to some of his friends.

Through them it reached Mayor William Gray, of Addyston, yesterday. Gray informed Marshall Knapp and Sheriff Kleine, and they went to the foreign quarter of Addyston. Lewis's arrest followed.

KIWANIANS ELECT

Fort Wayne, Ind., Sept. 18—A. E. Kress of Terre Haute, Ind., was elected governor of the Indiana Kiwanis Clubs at the close of the state convention here today. Guy Jones was chosen lieutenant governor for district six.

HURT IN FREAK ACCIDENT

Peru, Ind., Sept. 18—Eva Holland, 16, Peru high school girl, was recovering today from injuries suffered in a freak accident. A dead limb fell from a tree, crashed through the top of an auto in which she was sitting and knocked her unconscious.

TO CALL MITCHELL EARLY NEXT WEEK

President Coolidge's Special Air Inquiry Board Decides on This Step Today

ROUTINE EVIDENCE FIRST

Navy Department Completes Arrangement For Shenandoah Disaster Investigation

Washington, Sept. 18—(U.P.)—Planning to lose no time in its investigation of the aviation question, President Coolidge's special air inquiry board today decided to call on Col. William Mitchell, air service critic, for testimony early next week.

The board requested the war department to have Mitchell hold himself in readiness for appearance before the committee after the presentation of "routine" testimony by war, navy and postoffice department officials, the United Press learned today.

Advancing along three different lines, the administration today concentrated on the aircraft inquiries designed to vindicate army and navy policy or substantiate Colonel William Mitchell's charges of departmental "ineptness," "criminal negligence and almost treason."

1—The president air board in a house committee room studied records of the last congressional air probe and the secret Lassiter army report, in preparation for the initial public hearings Monday.

2—At the navy department, rear admiral Hiliari P. Jones completed arrangements for the Shenandoah disaster inquiry board which will convene at Lakehurst N. J., Monday.

3—The judge advocate general's office at the war department was drawing up formal charges of insubordination against Mitchell, for the court martial trial in Washington in about two weeks.

Chairman Dwight W. Morrow, New York banker and intimate friend of Mitchell, (Continued on Page Three)

Key to the Weather

Partly overcast tonight and Saturday. Some what unsettled and cooler in the north and central portion tonight.

HOMER GREGG, AGE 86, DIES AT SON'S HOME

Was One of Two Living Charter Members of Ivy Lodge, Knights of Pythias, of This City

FUNERAL SATURDAY, 3:30 P. M.

Homer Gregg, age eighty-six years, who was one of the two living charter members of Ivy Lodge, Knights of Pythias, of this city, died this morning at nine o'clock at the home of his son, Grant Gregg, 214 East Seventh street.

Mr. Gregg had been making his home with his son for the past few years and had been feeble for some time.

During the latter part of his life, Mr. Gregg's greatest interest was in the K. of P. lodge. A history of the lodge written by him was deposited in the cornerstone of the court house when it was constructed.

Mr. Gregg and Dave Glore were the only living charter members of Ivy lodge.

The funeral services will be held at the residence where he died Saturday afternoon at 3:30 o'clock, in charge of the Rev. H. W. Hargrett, pastor of St. Paul's Methodist Episcopal church, and burial will take place in East Hill cemetery.

The son at whose home he died was the sole survivor. Mr. Gregg's wife, who was Jennie Lakin before her marriage, died fifty-one years ago.

The Knights of Pythias lodge will be in charge of the funeral and all members of Ivy lodge are requested to meet at the hall Saturday afternoon at 2:30 o'clock.

PROGRAM FOR BAND CONCERT SUNDAY

The following is the program of the band concert to be given Sunday afternoon at 2:30 o'clock in Memorial Park band stand.

March, "Flanders," McNichol Medley, "Songs from the South," Smith. Valse, "A Kiss in the Dark," Victor Herbert. Overture, "Daughter of the Elm," Skaggs.

Serenade, "Autumn Romance," King Waltz, "Blue Danube," Lawrence March, "Washington Grays," Grafulla.

"Star Spangled Banner." Every bandman in the county is invited to take part in this concert. They are asked to kindly report at Memorial park at 2:30 o'clock Sunday.

STINGING REBUT TO SHANK

E. F. Shumaker Replies to an Offer of Prohibition Debate

Indianapolis, Ind., Sept. 18—(U.P.)—E. F. Shumaker, superintendent of the Indiana anti-saloon league, today, administered a stinging rebuke to Mayor Shank in denial of the Mayor's challenge for a debate on the prohibition question.

"By your willingness to debate for or against prohibition, you throw yourself open to the charge of insincerity and I will not be doing the cause any credit by debating with a man who has no conviction of his own on such a question as this," Shumaker said.

Shank offered to debate either side of the question.

OLD RUSHVILLE BUSINESS SOLD

G. P. Hunt and Walter F. Easley Become Owners of Caron's Candy Kitchen Today

ESTABLISHED 22 YEARS AGO

New Owners Identified With Rushville Business for Many Years—Hunt Former Postmaster

Charles J. Caron's candy kitchen in Main street, which has been a Rushville business house for more than twenty-two years, changed hands this morning and G. P. Hunt and Walter F. Easley, both of whom were formerly in business in Rushville, became the new owners.

The transaction has been the subject of discussion in local business circles for many days, while negotiations for the purchase were being made, but the actual sale did not take place until today.

Mr. Caron came to Rushville twenty-two years ago last February from Newcastle and opened a candy store and soda fountain in the Abercrombie room, which he has since occupied. During that time the business has gradually grown and expanded until twice as much room is being utilized as in the beginning.

Mr. Hunt has been identified with Rushville business interests for almost thirty years. He was working here as a grocery clerk when he enlisted for the Spanish-American war, and returned to Rushville in 1903, going to work as a hardware clerk. Later he and Jesse Kennedy bought the Charles Murray hardware store, and in a few years Mr. Hunt became the sole owner. He sold the store when he was appointed postmaster here in 1913. Mr. Hunt served two terms, or a period of eight years and three months, and since retiring from the postoffice, has not been actively engaged in business.

Mr. Easley came to Rushville fifteen years ago from Elwood and until March 1 of this year, was identified with the motion picture business in several capacities. On March 1 he sold the Princess to Casady and Smith, but still retained the K. of P. theatre at Greensburg. He will continue to operate that theatre, Mr. Caron will continue with the new firm for the present.

Mr. Easley came to Rushville fifteen years ago from Elwood and until March 1 of this year, was identified with the motion picture business in several capacities. YEGG MEN ARE PUT TO FLIGHT

Frightened at Quincy, Ohio, When Citizens Are Aroused

Bellefontaine, Ohio, Sept. 18—(U.P.)—Robbers who blew open the safe of the Miami Valley bank at Quincy early today, were put to flight by citizens who rushed into the streets at the sound of the explosion.

The robbers cut wires and shot out street lights before entering the bank. When the citizens appeared they fled in an automobile amid a hail of bullets.

Cashier C. S. Kneisley said no money was taken. The outer door of the safe was wrecked.

TO FIGHT RATE RAISE PLEA

Kokomo, Ind., Sept. 18—The Kokomo chamber of commerce today took the initiative in organizing sixty-four cities and towns affected by the petition of the Indiana Bell Telephone Company for another rate increase.

SUFFERING FROM LAPSE OF MEMORY

Man Held by Sheriff Hunt, About 35 Years Old, May be Afflicted Due to Shell Shock

INQUIRIES ARE BEING MADE

Carries International Iron Molders Union Card—Worked for Glenwood Canning Factory

A man believed to be suffering from a lapse of memory, is in jail here awaiting someone to identify him, according to Sheriff Hunt, who has started a search for relatives and has made inquiry at Hamilton, Ohio.

The man carried with him an International Moulder's Union card, and due book, in which his name is listed as Joseph Hurlache, but no address was given. The membership card was taken out under a recent date, August 22, at Hamilton, and union officials have been notified by Sheriff Hunt in an effort to return the man to his relatives, if he has any.

He was picked up in Glenwood, where he had been staying for the past week. He obtained employment at the canning factory but on account of his mind wandering at times he was discharged, but kept returning to work and was proving to be annoying. He spent his nights in a barn, and he was fed by people of Glenwood.

He was found in the barn loft when taken into custody by Sheriff Hunt. He was asked his name, and he couldn't remember it, but said it was written down in a book. It didn't sound familiar to him when it was spoken.

The man, who is said to be about 35 years old, recalled being in a war recently, and told Sheriff Hunt that he had enlisted twice. It is believed that he is suffering from the effects of a shell shock. He said he believed he enlisted on one occasion at Kokomo. He told Sheriff Hunt he had relatives and said he had a brother William living in Detroit, and gave his street address to the sheriff. When asked as to what his brother's last name was, the man couldn't remember but said it was written in the book that he had, meaning that his brother's last name was the same as his own.

The man is a member of the Catholic church, it was disclosed, and Father Schaub of the local church (Continued on Page Four)

COOL WEATHER TO PUT CRIMP IN HEAT WAVE

Clouded Skies With Probable Storms Promised For Tonight—Temperatures Above Ninety

COOLER IN MIDDLEWEST

With summer nearing an official end, an extra lick of hot weather is being thrown in by the weather man, and temperatures today were mounting in the 90 degree column. Summer ends on Monday, when the first day of fall is to be ushered in, and the temperature today is equal to a normal July period.

Relief is promised however, tonight, according to the weather prediction. Cloudy weather with storms are promised tonight, and cooler temperatures will follow of the central part of Indiana, according to the report today.

Chicago, Sept. 18—Cooler weather today cut short the middlewest's unseasonable heat wave which caused prostrations in some cities.

The mercury climbed to 86 degrees in the late afternoon yesterday and remained at that figure for three hours. It was the hottest Sept. 17 since 1906.

One man was overcome at Milwaukee, Wis., where the temperature reached 89 degrees, setting a 34 year record, but a heavy downpour of rain today brought relief there.

A north wind cooled St. Paul, Minn., where a high mark of 88 degrees was registered, the heat overcoming one man.

Des Moines Iowa reported the hottest September day in 24 years. The temperature was 95 degrees.

—Mr. and Mrs. C. W. Ertel have returned from a tour to Niagara Falls and parts of Canada.
—Albert Smith of Indianapolis came to Rushville today on account of the death of Robert E. Mansfield.
—Mrs. Fred Jones and son John will spend the week end in North

Vernon, Ind., the guests of Mr. and Mrs. N. C. Ansberry.
—Mrs. Christina Mauzy of Indianapolis and formerly of this city was called here today on account of the death of Robert E. Mansfield.
—Ebert Chastine of Indianapolis spent Thursday in this city on business and was entertained at the home of Mr. and Mrs. John Moore Thursday evening.
—Miss Edna Meggie has returned to her home in this city from Eaton, Ohio, and other points in Ohio, where she has been visiting her uncle, Walter N. Mori.
—Mrs. Will E. Bowen and daughter Miss Frances have returned to their home in this city from Lake Tippecanoe where they have been spending the summer at their cottage there.
—Mrs. Patrick Gilligan has returned to her home in this city from Chicago, Ill., where she has been visiting her daughter, Mrs. Fred Himelmyer and husband, for the past three weeks.
—Samuel Trabue, S. B. Groom, J. T. Arbuckle, and Will Jay will return to their homes in this city this evening from Fort Wayne, Ind., where they attended the district convention of the Kiwanis clubs.

PROBE DOPE PEDDLING
Indianapolis, Sept. 18—Carefully guarding their movements, two federal narcotic agents today investigated dope peddlers in Indianapolis. Three negroes, already under arrest charged with selling drugs, and other suspects, are expected to be taken into custody.

KILLS HUNTING COMPANION
Leavenworth, Ind., Sept. 18—Joseph Heddon, 60, was near collapse today after killing his hunting companion, Zenor Campbell, garage owner. Campbell wore a squirrel tail in his hat. Heddon saw it through the trees and fired, the charge striking Campbell in the fact.

ROBS RECLUSE
Indianapolis, Ind., Sept. 18—Garvey Frizzle, 24, a city employee, was held today on a charge of attacking and robbing Rubus Bare, 84, aged recluse. Bare identified Frizzle as his assailant.

SALESMAN WANTED
Do you consider yourself qualified to sell quality lubrication in drums, half drums, and quarter drums on 30-day terms to farmers, threshers, truckers and industrial concerns in your section? We have several branches in the State and now seek representation in agricultural sections offering genuine opportunity to capable salesman who will invest only earnest effort. Must own auto. Age limit 30-55. Employment through personal interview. Address Division Manager, Box 136, Camby, Indiana.

Permanent Waving \$6.00
Satisfaction Guaranteed.

LOCALS

Moves To Willow Street
Lawrence G. Wortman, of 941 North Harrison street, is moving to 823 North Willow street.

Choir Rehearsal
The choir of the St. Paul's M. E. church will hold their weekly rehearsal tonight at 7:30 o'clock at the church.

Sam Morgan Seriously Ill
Sam Morgan is seriously ill at his home on West Seventh street, and his condition today was said to be serious.

Young Child is Ill
The eleven months old daughter of Mr. and Mrs. Lester Pollitt is dangerously ill at their home in East Eighth street.

Removed From Hospital
Mrs. Nellie Doth, wife of Frank Doth, who underwent an operation at the Dr. Green hospital, has been removed to her home at Tenth and Sexton streets.

To Close for Holidays
Hymen Schatz' Sons, Junk Dealers, will close their place of business Saturday, on account of it being a Jewish holiday.

Ford Found in Connersville
The Ford sedan belonging to Will Leach of this city, which was stolen from its parking place Wednesday night, at Main and Second streets, was found in Connersville late Thursday, where it had been abandoned. The car was not damaged, and has been returned to Mr. Leach. It is believed that joy riders took the machine, and then left it on the streets in Connersville.

Attend Baptist Association
Quite a large delegation from the local Baptist church went to Connersville today to attend the East Central Baptist Association, which was held at the First Baptist church there. The Association is comprised of Rush, Fayette, and Wayne counties. Those attending from the local church were Mr. and Mrs. Henry Alsop, Mrs. Chester Ridout, Mrs. Earl Heath, Mrs. Gilbert Palmer, Miss Elizabeth Stewart, Mrs. R. L. Stewart, Mrs. B. W. Reynolds and the Rev. and Mrs. R. W. Sage and daughter.

DENIES REPORT IS CHURCH SENTIMENT

Indianapolis, Ind., Sept. 18—(U.P.)—Bishop Thomas Nicholson of Detroit, president of the Anti Saloon League of America, in a speech here last night denied that the recent report of a commission of the Federal Council of Churches rapping prohibition was the sentiment of the thirty-six protestant denominations comprising the council.
"The report does not represent the sentiment of the protestant Christian churches and is not correct," he declared.
Bishop Nicholson said the report was never submitted to or approved by the executive committee of the council, of which he is a member.
"The entire bootlegging business is a nullification of the constitution and a disgrace to the country," Bishop Nicholson declared.

SHENANDOAH IN DISTRESS BEFORE THE CRASH CAME

New Evidence Believed to Have Been Found Shows Something Other Than Storm Responsible

IN TROUBLE FOR 2 HOURS

Cambridge, Ohio, Sept. 18—(U.P.)—New evidence is believed to have been found here indicating that the dirigible Shenandoah was in distress at least two hours before she crashed and that during that time no winds of a velocity of more than forty miles an hour were recorded.

According to statements attributed to witnesses, the ship during the last two hours travelled only twenty-two miles and was in obvious distress although the moon and stars were out.

These disclosures on the eve of the opening of the naval court of inquiry at Lakehurst, purported to give evidence that some cause other than that of a storm, precipitated the disaster.

They were made in the Cambridge, Jeffersonian by Ernest Sheehan, its correspondent. The disclosures are made on some of the records recovered from souvenir hunters after the dirigible crashed, causing deaths, statements pieced together from survivors of the ship immediately after the crash and before they returned to Lakehurst and from statements of many persons who saw the disaster, the newspaper says.

TO CALL MITCHELL EARLY NEXT WEEK

Continued from Page One
President Coolidge, told his fellow members of the board that economy would be necessary since there is no congressional appropriation for the probe.

The board has definitely decided to call witnesses from the war, navy and postoffice departments first and Mitchell and other critics later, it was announced.

IRISH FREE STATE DELEGATE STONED

New York, Sept. 18—(U.P.)—Smiling General "Dick" Mulcahy of the Irish Free State, who a few years ago was fighting like one of his native terriers against the English, poked a cautious nose out of his window in the Commodore Hotel this morning and gazed through a discolored eye up and down 42nd street.

For General Mulcahy had seen more fighting since he arrived aboard the President Roosevelt last evening than he had experienced in many a long day in his comparatively peaceful homeland.

Outside the hotel, indistinguishable and watchful, strolled men and women pickets, forerunners of what promised to be another spectacular demonstration but not in the general's honor.

Mulcahy was stoned, beaten, pelted with rotten eggs, hissed, and booed by a mob of his countrymen and women as he stepped from the steamer at Hoboken.

The air was filled with missiles and cries of "murderer" and "perjurer."

It was a mob of Irish and Irish-Americans, enemies now of the Irish Free State and supporters of the idea of an Irish republic, that made the attack.

INTEREST BEGINS IN H. S. FOOTBALL

Indiana Schools Show More Interest Each Year, and Teams Are Making Up Their Schedules

MOST INTEREST IN NORTH

Teams Around Gary and Calumet District Usually Make Best Showing—Big Season Expected

Gary, Ind., Sept. 12.—Football dope permeates the air of northern Indiana as scholastic gridiron elevens return for the fall campaign, expected to be the most exciting in the history of high school football in Indiana.

What little dope concerning elevens of northern Indiana schools is available at present gives indication that this section of the state will be the home of the recognized champion schoolboy eleven of Hoosierdom.

For several years Emerson of Gary was the recognized champion. Last year that claim was disputed by Elkhart, another northern eleven. Emerson looks like a winner and there are several other strong elevens in this section of the state that will attempt to dispute Emerson's claim to titular honors.

There is Froebel of Gary with prospects and probable strength merely one of conjecture and dope.

South Bend will, of course, be represented by a powerful machine, much stronger, if the dope is to be given credence, than that which succumbed to Emerson 23 to 0 last year.

Elkhart, although minus Peterson, its great half back, and several other members of last year's powerful combination, again is expected to make a bid for honors.

Goshen is as yet an unknown quantity with prospects for a successful season, although facing a tough schedule.

To return to the Calumet district there are several schoolboy elevens which may blossom forth as championship contenders.

Last Chicago will be under the guidance of a new coach and has hopes for a winner. Hammond should be strong and Whiting will have a light team. Valparaiso is an unknown quantity.

LaPorte and Michigan City are expected to have their usual good elevens, powerful against secondary teams, but perhaps not able to buck successfully the teams of championship caliber.

All in all, it looks like the greatest season in history for football in northern Indiana high schools.

There are several teams mentioned from this district capable of developing into champions, and there are dark horses among the number that may upset all dope.

BEGINNING TO SHOW REAL FORM

Rushville Football Team Rounding into Shape, Practices Show

The Rushville football team held a practice session last evening and is beginning to show real form. The first game of the season will be played here Sunday, October 4, with the Anderson Remys. Practically all of the games will be played at Rushville.

The next practice will be held Sunday morning on the baseball park in West Third street and anyone that wants to make the team is asked to be present for a tryout. Everyone will be given a chance. Suits have been ordered and will be here by the time of the opening of the season.

One of the goal posts has been erected. The other one will be put up at the close of the baseball season. Practice Sunday morning 9 to 11:30. All football players are urged to come out and help put a real team on here.

NOTHING LIKE IT ON EARTH

The new treatment for torn flesh, cuts, wounds, sores or lacerations that is doing such wonderful work in flesh healing is the Borozone liquid and powder combination treatment. The liquid Borozone is a powerful antiseptic that purifies the wound of all poisons and infectious germs, while the Borozone powder is the great healer. There is nothing like it on earth for speed, safety and efficiency. Price (liquid) 30c, 60c and \$1.20. Powder 20c and 60c. Sold by Hargrove and Brown.

VARSITY SQUAD NOT UP TO EXPECTATION

Indiana University Football Players Not Turning Out in Large Numbers as Expected

PROSPECTS ARE NOT BRIGHT

Bloomington, Ind., Sept. 12.—With the varsity football squad not as large as anticipated, Indiana athletic officials are not enthusiastic over the outlook. More than 60 suits have been issued between the varsity and freshmen, but several men counted on to fill a regular uniform had not made their appearance on the field up to yesterday. Only 35 varsity candidates were out for the opening practice.

This week's menu has been light in order to get the squad ready for a hard grind later on. Hitting the dummy, calisthenics, passing, kicking and other limbering up exercises have been the order for opening week.

Jordan Field, the scene of many athletic conflicts here, is being used for present practices, but the Crinson will probably shift over to Indiana Field today, weather permitting. The yearlings will then use the Jordan gridiron.

With such a short time in which to prepare his grid machine for State Normal Oct. 3, Coach Ingram is finding it hard to get the necessary line on his footballers.

Players from last year who are making a creditable showing in practice include Captain Marks, Salmi, Sibley, Bernoske, G. Fisher, W. Fisher, Bishop, Prusha, Starnates, Byers, Hoblick, Dykhuizen, Zivich, Winston, Zaiser, Childs, Clifford, and Kelso.

Indiana faces a stiff schedule this year with Michigan, Northwestern, Syracuse, Ohio State, Normal, Miami, Rose Poly, and Purdue on the chart.

ALONG THE SIDELINES

Champaign, Ill.—Coach, Bob Zuppke of the University of Illinois did the expected and shifted Earl Britton, fullback last season to the line. "Pug" Daugherty, the basketball star, is being tried in the backfield.

Bloomington, Ind.—Navy Bill Ingram, Indiana coach, plans the first scrimmage Monday. Additional men have reported, including a half dozen veterans and the squad now numbers sixty.

Minneapolis, Minn.—Aerial tactics and kicking were given attention in the hard practice sessions which wound up with a light scrimmage for the Gopher squad.

South Bend, Ind.—With freshmen carrying the ball, Notre Dame was drilled in line tackling Coach Rockne has shifted Poleska, sophomore guard to tackle.

Columbus, O.—Forward passing, kicking and blocking engaged Ohio state as practice was held behind locked gates. Nine men scrimmaged in the afternoon practice while six backfields practiced aerial formations.

Evanston, Ill.—Northwestern's men are still soft and a sudden weather change from coolness to heat bothered them. Guards drilled in sidestepping with the ball and linemen got instructions in charging and blocking.

Madison.—For every pass an end missed the penalty was a circuit of the Camp Randall road. Wisconsin's tackling was ragged. Punting and running back punts also was no the bill.

Iowa City, Ia.—Registration broke into Iowa's practice. Light scrimmage and fundamentals took up the day. Work in earnest begins Monday.

Ann Arbor, Mich.—Group fundamentals are taking up Michigan's practice time and the date of the first scrimmage is undecided. Blocking and tackling were taught line candidates and ends chased passes.

Chicago—President Max Mason, the new prexy at Chicago, came out to see Coach Stagg's candidates. A morning of fundamentals was succeeded by running back punts, ending with a tough scrimmage.

Lafayette, Ind.—Wilcox, freshman half back last season is performing like promising timber for Purdue. The candidates were divided into groups for fundamentals in examination.

FANNING ARRELL

Travel Not Always Excuse

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Sept. 12.—Hardships of travel, differences in climate and playing conditions have always been quoted as excuses for the failure of the case so happened—of eastern football teams to live up to form against western teams in California.

Eastern defenders, when there was a defense needed, held that the long trip across the continent, the strange weather and unfamiliar fields militated against the eastern team and worked to the advantage of the western team.

Not only in football but more particularly in international tennis, the travel has been held as working a tremendous disadvantage against the players who have to do the traveling.

The theory, however, was exploded completely at Forest Hills recently when the team of British women players, after a voyage of 3000 miles from London, under unfamiliar turf conditions and with a ball that was strange to the majority of them, defeated the American team and retained possession of the Wightman Cup.

The cup, put into competition by Mrs. Hazel Hotchkiss Wightman, wife of the former president of the United States Lawn Tennis Association, for the purpose of establishing a Davis Cup contest for women players, was played for in 1923 for the first time.

The British team came to Forest Hills and was defeated by a score of 7 to 0. The visitors had only two days to practice for the matches, they were not familiar with the lively ball that is used in this country.

PIRATES GAIN A HALF GAME

Defeat Boston Braves While Giants Remain Idle

New York, Sept. 12.—(U.P.)—While the New York Giants were idle, the Pittsburgh Pirates knocked off the Boston Braves and gained another half game in the National League pennant race. The Pirates now need seven more victories to clinch the pennant if the Giants do not lose another game.

The Washington Senators split even in a double header with Detroit while the Athletics were beating the White Sox and the champions now need nine more victories to repeat if the Athletics win all their remaining games.

KEEPING ONE EYE ON THE SCORE BOARD

Yesterday's Hero: Henry Johnston, Yankee rookie, pitching his second game in fast company, shut out the Indians 5 to 0. Homers by Gehrig and Pauschal helped him cop his game.

Walter Johnson, Washington veteran, lost his seventh game of the season when the Tigers dropped him, 12 to 9, in the first game, but Coveleskie grabbed the second game for the champions, 1 to 0.

Carl Mays had one of his good days and pitched the Reds to a 5 to 2 victory over the Phillies.

Hard hitting by Grantham, Moore and Smith enabled the Pirates to down the Braves 11 to 2.

Jack Quinn had only one bad inning when he was tapped for three hits and two runs and the Athletics beat the White Sox 6 to 3.

Behind the good pitching of Winfield and Zelniser, the Red Sox plastered the Browns with two shut outs, 2 to 0 and 4 to 0.

SPORT CHATTER

Joplin, Mo.—Eddie Held of St. Louis won the Missouri pen golf championship by defeating Ed Dudley of Joplin in an 18 hole play off.

Atlanta, Ga.—The Atlanta won the Southern League championship for the first time since 1910, beating Birmingham 4 to 2 in the game that clinched the pennant.

try and they did not have the feel of the faster American turf.

The following year, in 1924, the association sent a team of its best players, headed by Helen Wills, the national champion, to Europe to defend the cup and to play in the British championships at Wimbledon and in the Olympic matches at Paris.

The Americans lost the cup by a score of 6 to 1 and Miss Wills was beaten twice and the excuse was made that the handicap of traveling, climate, etc., was too much to be borne by women players.

It was put forward then that the cup would alternate between England and the United States according to the country in which the matches were played.

This year, however, the British team, under the same handicap that the Americans were at Wimbledon, came to Forest Hills and successfully defended the cup, winning the tournament by a score of 4 to 3.

Miss McKane, the former British champion, who was here in 1923, was the only member of the British team who had any experience with the American ball and the only one who had played before in this country.

So, it would seem, that class holds in the long run and that climate, the rigors of travel, etc., haven't so much to do with it as some excusers would like.

Within a few weeks, Capt. Red Grange, ranked as one of the greatest players of all time, will lead his Illinois football team against Pennsylvania in Philadelphia. Grange, beyond all doubt, is one of the greatest football stars that ever pulled on a shoe. In his two years as a varsity player he has averaged 10 yards every time he was given the ball.

EARLHAM GRIDDERS TO HAVE STIFF PRACTICE

Will Prepare to Meet Butler September 26, and Quaker Squad Has Plenty of Old Material

FRESHMEN ALSO LOOK GOOD.

Richmond, Ind., Sept. 12.—(U.P.)—While facing a stiff workout during the next two weeks in order to be prepared to meet Butler at Indianapolis on September 26, the Earlham squad of gridders have for encouragement the backing of some of their foremost men of last year.

With Captain Wendell Stanley back for the fourth time, it appears that he will have the choice to control right end again. Stanley was selected last season as second all state end and is back again to lead his pigskin warriors. Don Parker also is assured of a place after spending the summer keeping fit in a log camp in New York state. The battle for the other end position probably will be between Parker and Jim Clark, both letter men of last year.

"Big Bad Bill" Simkin, as he is known in football circles, probably will hold his job as tackle as he has 190 pounds to back him up. Stewart Wallace, tackle of last year, will be on this season, but Bob Hampton, last season guard, may fill this gap.

A number of freshmen expected to show promising material, are being relied upon to furnish any positions weakened by losses from last year's crew. Veterans are even now working daily with this new material, and reports are good.

Salt Lake City, Ut.—W. Magee, a 19 year old jockey who is understood to have come here from Winnipeg, was killed in the first race yesterday at the Utah Racing Association track when he fell from his mount.

Providence, R. I.—Although the Baltimore Orioles were idle here, they were handed their seventh straight pennant in the International League yesterday when Rochester took a double header from Toronto, the runnersup. Baltimore will meet the Louisville Colonels, American Association winners in the "little world series."

SUNDAY, SEPT. 20

IN SOCIETY

The Monday Circle will hold their first meeting of the year, next Monday afternoon at the home of Mrs. Roy Waggenier in North Morgan street.

Miss Estella Poston has been pledged to the Alpha Chi Omega sorority at Butler College, and Miss Emily Manzy, who is also attending Butler College, has been pledged to the Delta Gamma sorority.

The Delphian Society meeting, which was to have been held this afternoon at the Elks club room, was postponed on account of the death of Robert E. Mansfield. The meeting will be held Friday afternoon, September 25.

Miss Florence Ball charmingly entertained Thursday evening with a prettily appointed dinner party, honoring the Misses Thelma and Martha Fanning, who will leave the first of October for Dallas, Texas. Covers were laid for six guests. Following the serving of the dinner the guests spent the remainder of the evening playing bridge.

Mr. and Mrs. Louis Clark entertained with a six o'clock dinner party Thursday evening at their home in North Main street, honoring Mr. and Mrs. Walter Frazee of Long Beach, Calif., who are visiting in this city. Covers were laid for Mr. and Mrs. John Frazee, Dr. and Mrs. N. G. Willis and daughter Ruth of Cammerville, Mr. and Mrs. Elmer Humes, Mr. and Mrs. Charles Offutt, Mrs. Helm Woodward of Covington, Ky., the honored guests and the host and hostess.

The first meeting of the new year for the Priscilla Art and Literary Club of Falmouth was held Thursday afternoon at the home of Miss Stella Shortridge in Falmouth. The responses to the roll call were "What I Saw on My Way to the Club Meeting." The program was as follows: paper, "Woman in Politics"

Mrs. J. E. Walther; paper, "The Woman in the Business World," Miss Meriam Fry; instrumental music, Mrs. Lorain Elwell. Dainty refreshments were served by the hostess at the close of the program. The next meeting will be held Thursday afternoon, October 24, at the home of Mrs. Fred Martin.

Complimentary to the house guests of Miss Bertha Helm, Mrs. Ruby Landis and Mrs. Frederick Nagel of Chicago, Ill., Mrs. Fred Beale delightfully entertained Thursday evening with four tables of bridge at her home in North Morgan street. The home was arranged with bouquets of fall flowers and following the card games a delicious luncheon was served.

In the afternoon Miss Helm entertained at the Seaman House honoring her house guests. Bridge was enjoyed during the afternoon and music was furnished by the "Hot Tamales" orchestra, which gave a program at the Princess theatre last evening.

FARMER SENTENCED FOR ARSON

Olan Ford of Madison County Convicted of Burning His Home

Anderson, Ind., Sept. 18—Olan Ford, 40, Madison county farmer, today faced a sentence of one to three years in the state prison for arson.

Ford and his wife confessed they set fire to their home to collect insurance money because they were in financial troubles.

Ford was sentenced to prison but clemency was shown his wife because she is the mother of six children under ten years of age.

OLDEST WOMAN DIES

Greencastle, Ind., Sept. 18—Mrs. Mary Flower, 90, is dead at her home here. She was the oldest woman in Greencastle.

R. E. MANSFIELD DIES EARLY TODAY

Continued from Page One
was called to the hospital Tuesday afternoon when Mr. Mansfield suffered a relapse, and Tuesday evening, death seemed inevitable, but he passed the crisis and became stronger.

Before the last operation, Mr. Mansfield was more hopeful about his own condition, and when A. L. Riggs called on him at the hospital last Thursday, he was more cheerful and said that he believed he would get well.

Soon after coming to Rushville in 1917 for residence, Mr. Mansfield entered wholeheartedly into public spirited work and became identified with every movement for the betterment of the community.

He was in great demand during the war as a speaker at patriotic meetings, both in Rush county and elsewhere in Indiana. Most of his time and attention in connection with war activities was given to the Rush county chapter of the American Red Cross, and as a member of the executive committee, his advice was largely sought. He also had charge of the publicity for the local Red Cross work.

After the retirement of E. B. Thomas as chairman of the executive committee, Mr. Mansfield was elected to the place and was serving in that capacity at the time of his death. He showed a great interest in the Red Cross and was an influence in conducting the annual roll call and keeping the Red Cross in a position to aid when distress calls came from other parts of the country.

The last manifestation of Mr. Mansfield's public spirited attitude towards the community of his adoption, was the creation of the Mansfield Declamation contest in the Rushville high school last spring.

Mr. Mansfield contributed a substantial cash prize for the contest and planned to make it permanent by endowment following his death. The first contest was held near the close of the last school year, and Mr. Mansfield presided and explained the purpose of the contest.

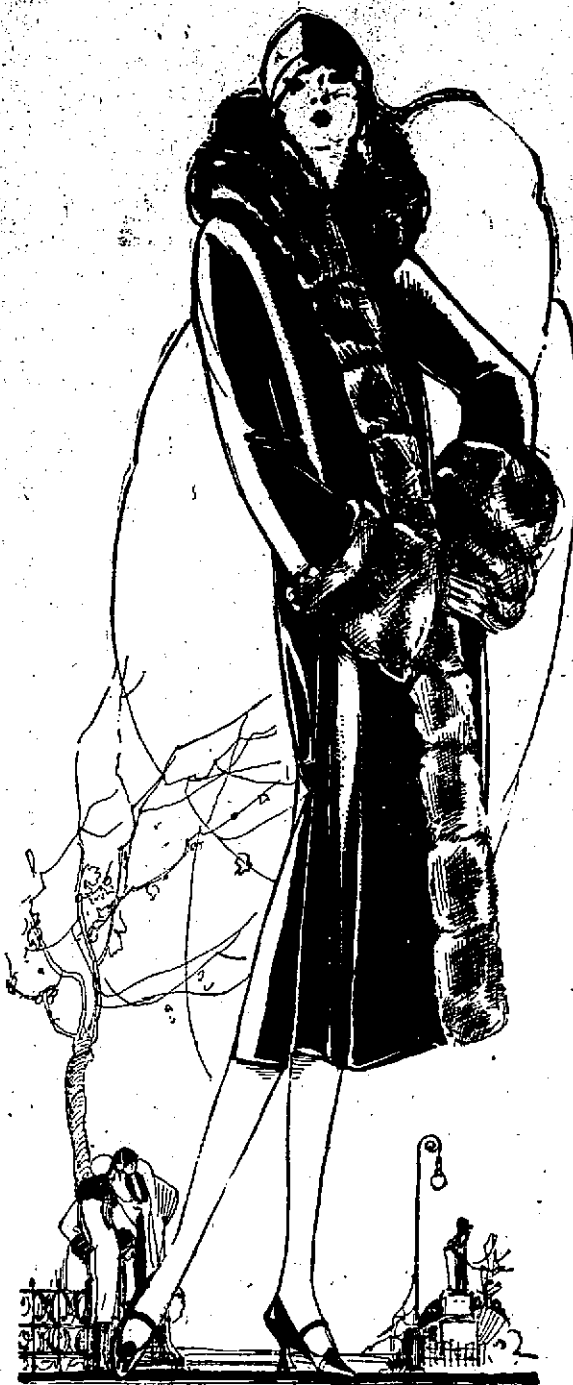

Mr. Mansfield was a ready and apt after-dinner speaker and a fine story teller, and he was much sought after for public addresses. He gave freely on his talents, and especially in the Kiwanis club, he was relied on as a speaker on club and civic affairs, and as a representative of the club at community events.

The last public address delivered by Mr. Mansfield, it was recalled today, was early last summer when he spoke on the subject, "A Square Deal," at a meeting of the Kiwanis club held in connection with people of the Big Flatrock community at the Big Flatrock Christian church.

Mr. Mansfield never forsook the profession of his earlier life, and always kept in close touch with the newspaper life of Indiana. The love for writing which he acquired in his newspaper training never left him and he frequently contributed articles to the Daily Republican, which were widely read. Before his fatal illness, Mr. Mansfield contemplated writing a series of articles on current topics for publication in the Daily Republican.

Mr. Mansfield wrote a history of Rush county in all wars, which was issued by the Red Cross and is now treasured as an authentic compilation of facts regarding Rush county's patriotic efforts.

Although having no knowledge of farming, Mr. Mansfield took active management of the Gowdy farms when his father-in-law, John K. Gowdy, died on June 25, 1918, and

made a success of the farming business.

Mr. Mansfield was born in Muncie June 13, 1866, and attended the public schools of that city. Later he went to Newcastle, where he was connected with the Newcastle Courier. During his residence in Newcastle he was elected city clerk. Later he removed to Muncie to assume the duties of editor of the Muncie Times, which position he held for several years.

In 1890 he moved to Indianapolis to become city editor of the Journal. He was elected state chairman of the Lincoln League in 1892.

During 1897 he served as secretary of the Republican state general committee. He bought the Marion News with Charles Bundy in 1894.

His first consular position was in 1899, when he was appointed consul to Zanzibar by President McKinley. A year later he was transferred to Valparaiso, Chili, where he remained for six years. A book, "Progressive Chili," written by Mr. Mansfield while he was residing in Chili, is one of the best-known books of that country.

Returning to the United States in 1906, he married Miss Fannie Gowdy, daughter of John K. Gowdy, ex-consul general to Paris. In the same year he was transferred to Lucerne, Switzerland, where he remained two years. He was appointed to the position of consul general to Zurich in 1906.

In February, 1914, he was transferred to Vancouver, British Columbia, and during the first two years of the war had charge of the interests of the United States, Germany, Austria-Hungary and Bulgaria. In the summer of 1917, he was again transferred to Stockholm, Sweden, but resigned shortly afterwards and retired from the foreign service. Since his retirement he had made his home at Rushville.

Mr. Mansfield was a member of St. Paul's Methodist Episcopal church, the Knights of Pythias Lodge, the Elks lodge and the Kiwanis club.

The widow, who has been constantly at his bedside since he was removed to the hospital, is the sole survivor.

NEW HORTICULTURAL BUILDING IS BEING ERECTED AT PURDUE

Indiana's rapidly growing horticultural interests are receiving recognition with the construction of a new horticultural building at Purdue University. Contracts were awarded by the board of trustees Aug. 4 and construction started at once so that the structure shown in the accompanying photograph from the architect's drawing may be occupied sometime during the present school year.

The new building which is of reinforced concrete, with red tile roof, will be three stories in height, and will contain 25000 square feet of floor space, enough to house all branches of the university's work in horticulture. It is situated near the greenhouse where much of the laboratory work is given. One of

the special features of the building will be a modern cold storage plant with rooms which can be held at different temperatures, so that the effect of these temperatures may be studied on the keeping qualities of fruit. Provision will be made for the freezing of berries and other products to study the effect of this modern method of preserving for bakeries and processing plants.

There will be a spray machine laboratory; another to study composition and mixing of spray materials; a laboratory for the canning and preserving of Indiana's canning crops; grading of fruits and vegetables; space for the storage of Indiana's sweet corn seed, on which Purdue has been working to develop

other crops on which similar work is being done. There will be special laboratories for the special students in landscaping and floriculture. Up-to-date class rooms and equipment will be provided for the growing number of young men who study these three phases of agriculture at Purdue.

Erection of the building was made possible by act of the last session of the Indiana General Assembly which made an appropriation for the structure at the urgent request of the Indiana Horticultural Society, Indiana Vegetable Growers' Association and others interested in the horticultural development of the state.

PROPOSES REVOLVING FUND FOR EACH MONTH

Dr. Elliott of Purdue Asks \$165,000
to be Placed for Expenses, as a
Monthly Estimate

MAY BEGIN ON OCTOBER 1

Indianapolis, Ind., Sept. 18—(U.P.)—A proposal for the establishment of a revolving fund of \$165,000 for advance working capital for Purdue university was placed before the state board of finance recently by Dr. Elliott, president of the university.

Dr. Elliott suggested that at the beginning of the new fiscal year on Oct. 1 the sum of \$165,000 be turned over to Purdue out of its appropriations.

At the end of October, under Dr. Elliott's plan, vouchers for the expenses of the month would be turned into the state and a sum equal to the expenditures would be given to the university.

This procedure would be repeated month by month and on the first of each month the fund would be brought up to \$165,000. Action on the proposal was withheld by the board.

NOTICE

My office will be closed from Sept. 14th until further notice as I am leaving the city temporarily. Will appreciate your patronage upon return.

FARM WOMEN TO HAVE PART ALSO

National Dairy Exposition at Indianapolis Next Month, Will Not Be
For Men Folks Alone

WOMEN TO HAVE SCHOOL

Indiana Farm Bureau Will Sponsor
Project Which Will Interest Women of State in Many Ways

Indianapolis, Sept. 18—Every woman in Indiana will be interested in the many plans that are being developed for the Farm Women's School given by the Indiana Farm Bureau at the National Dairy Exposition, Indianapolis, October 10th to 17th. Entries are coming in from several counties and we again urge that women be selected and their names sent at once to the state office. The leading physicians of Indianapolis are scheduled for a series of lectures to be given each day, followed by demonstrations of preparation of school lunches, infant feeding, utilization of milk, invalid cooking and special cooking for correct weight. There are rumors of beauty talks and rides, luncheon, teas, and theatre, any and all of which are delightfully interesting.

In addition to the staff of experts furnished by the National Dairy Council and the Indianapolis Academy of Science, the ladies will be given a chance to hear Dr. McCullom, Ex-Gov. Frank Lowden, Mrs. O. M. Pittenger, President of the State Federation of Women's Clubs, Miss Lella Gaddis, Purdue University, Mrs. Felix T. McWhirter, well known club worker, Ida M. Anderson of the Indianapolis News, Dr. H. C. Sherwood, Miss Mary Beaman

Fastest Stenog

Martin J. Duprau, a New York youth of 19, won the world's championship speed test for shorthand reporters at Omaha. He upset all the predictions by defeating the veteran, Charles L. Swen, stenographer to President Wilson during the war. Duprau set a new record by taking 276 words a minute. The old mark was 254 words.

and Miss Blanch Merry of the State Dept of Public Instruction, and Miss Aldia F. Scott of Cleveland, Ohio. Each of these workers have a message from their particular field that will be valuable and interesting to the school. A part of each day will be devoted to seeing the National Dairy Exposition in a thorough and enjoyable way, that will far surpass the ordinary way of hurrying through the various exhibits. The evenings will hold programs of interest. Stunt night will be observed, moving pictures, games, musical programs and attendance at the Horse

Show will compose some of the proposed attractions.

At a certain hour each day various representatives of the Indiana Farm Bureau Federation will come before the school to briefly explain the work of the several departments and acquaint the women with their organization.

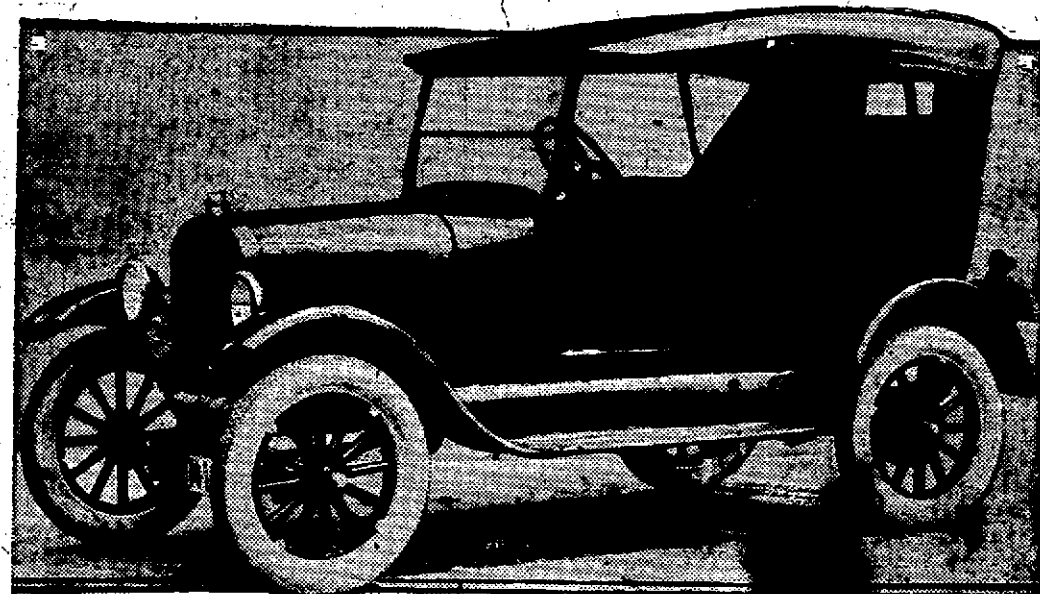

The value of the week's vacation from home, the new scenes, the instruction and inspiration, and the acquaintance of women from all over the state and nation cannot be over estimated to the women of Indiana. While only representatives from the 92 counties can be housed and fed at the school, the lectures and demonstrations will be available to all women attending the exposition. The Indiana Farm Bureau will maintain a hostess and information bureau to assist in extending Hoosier hospitality to farm women in attendance from all over the country. Get busy today and make sure that your county will be represented. As previously announced, should any county not be represented vacancies will be filled in order of their filing at the state office.

Letters From a Farmer's Wife

"For over two years I suffered from pains in my side and back with headaches and weakness" says Mrs. Walter E. Anderson, a farmer's wife of Rangeley, Maine. "It seemed as though I could not get my work done from one day to the next, but Lydia E. Pinkham's Vegetable Compound has restored my health so that now I can do all kinds of work, sewing, washing, ironing and sweeping. I hope this letter will influence other women to take Lydia E. Pinkham's Vegetable Compound." Volumes of such letters from women explain why Lydia E. Pinkham Medicine Co., of Lynn, Mass., is the greatest user of roots and herbs in the world.

Locks Her Baby in Chicken Coop

When Mrs. Victor Stile, of El Paso, left her three-year-old son, Juan, at home alone while she was at work downtown, the chickens pecked his face as he was playing in the yard. So the mother decided the thing to do was to lock the child instead of the chickens in a chicken coop. Neighbors became so indignant that one of them offered to adopt the child. City health officials obtained the mother's consent to an adoption.

NATIONAL GUARD IS CUT BY NEW TAX LEVY

Indiana Will be Presented by Smallest Militia Since World War, Due To Appropriation

MEN ON THE WAITING LIST

Indianapolis, Ind., Sept. 18—The Indiana National Guard, for the present at least, will be the smallest army of reserves the state has maintained since the World War, it was made known today by Adjutant General Kerschner.

The adjutant general said the guard could not possibly exceed the present strength of 4,800 because the budget appropriation this year is greatly reduced as compared to the financial allotment of previous year.

"Instead of having enlistment drives this fall to fill up the companies as was the case in previous years we have a long waiting list for each company," Gen. Kerschner said.

Little trouble is expected during the winter from the problem of getting a full attendance at drill that usually confronts the guard officers, according to the adjutant general.

"Men who miss drill consistently without a sufficient reason will be discharged," he said. "We have too many men on the waiting list who will only be too glad to have a chance to gain experience in the guard to waste time with the fellows who think they can miss drill every time they feel like it."

"We will resort to the legal right to place a man in jail for failure to attend drill only when his action threatens the discipline of the company."

Under war department orders, only forty-eight drills will be held a year from now on.

FOR WORKING PEOPLE

The best of workers get out of sorts when the liver fails to act. They feel languid, half-sick, "blue" and discouraged and think they are getting lazy. Neglect of these symptoms might result in a sick spell, therefore the sensible course is to take a dose or two of Herbine. It is just the medicine needed to purify the system and restore the vim and ambition of health. Price 60c. Sold by Hargrove and Brown

SEVEN MOTOR POLICE DROPPED FROM FORCE

First Definite Announcement Made by Robt. Humes, Chief, Following Cut in the Appropriation

BROOKVILLE MAN INCLUDED

Indianapolis, Ind., Sept. 18—The names of seven men have been dropped from the payroll of state motor police department in an effort to limit expenses of the department to budget figures.

For the first time since its organization, the department will go under budget control at the beginning of the new fiscal year on October 1.

Heretofore the expenses have been met from the auto license fund. The law bringing the motor police under the budget was passed by the last session of the legislature.

In making the cut in the force, Robert Humes, chief, was governed by seniority and traffic conditions.

Three motorcycle policemen were dropped. They were Merle Remley, Waynetown, Emmett Staggs of Fowler and Lawrence Shields of Browns-town.

The others to be dropped were automobile police. They were Carl Losey and William Boyer of Indianapolis, Charles Smith of Brookville and Calvin Jackson, of Lafayette.

Humes pointed out that three of the men dropped were motor cycle policemen, who are of little service in the winter months.

Another cut is to be made in the force before the first of October, Humes said.

WILL OPERATE EIGHT NEW AIR MAIL LINES

Ten Private Companies Submit Bids to Government for Carrying New Mail Routes

WILL BE USED AS FEEDERS

Washington, Sept. 18—Development of Commercial aviation in the United States was advancing with "seven league" strides today as the Post office department prepared to put into operation eight new air mail lines.

Ten private companies submitted 16 bids for operating the new routes which will act as "feeders" for the government operated trans-continental system. The lines touch 28 cities and cover 4,675 miles.

Contracts will be awarded the successful bidders within 30 days and before the first of the year. A new era in commercial aeronautics will be born that will eventually link every city in the country with air transport lines.

Three bids were received from the National Air Transport Inc., Chicago. For four-fifths of the revenue this company proposed to operate the Chicago to Dallas, Chicago to St. Louis and Chicago to St. Paul routes.

The Robertson Aircraft Corporation, St. Louis, bid .0675 cents on each 10 cents revenue for the Chicago, Springfield, St. Louis route.

Woman Surprises Friends

"After a spell of Typhoid Fever 7 years ago I began to suffer from indigestion and gas in my stomach and colic attacks. This gradually became so bad that my doctor advised an operation for all stones. A friend advised me to try May's Wonderful Remedy which I did with splendid results. My friends were astonished at my rapid improvement. I have no more bloating and can eat anything I wish. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere. —Advertisement

GRAND JURY PROBE IS SOUGHT

Investigation of Leroy Yost's Death at Richmond Asked

Richmond, Ind., Sept. 18.—(UP)—A grand jury investigation of the death of Leroy Yost, whose body was found in an elevator at a factory here, was sought today by Coroner Bond.

Bond said the evidence of foul play was sufficient to warrant a grand jury probe. Yost met death by a blow on the head, according to the coroner's verdict.

Upon finding the body, authorities took Leonard Smith, a brother in law of Yost, into custody for questioning. Smith was night watchman at the factory where the body was discovered.

Although failing to shed any light on the mystery, Smith is still in custody.

UTILITY HEADS WILL GATHER

Electric and Gas Executives of Midwest, to Hold Conference

French Lick, Ind., Sept. 18.—(UP)—Public utility executives of Indiana and the middle west will gather here next Monday for three meetings of gas and electric organizations.

The Indiana Gas Association will hold a two day session at the West Baden hotel Monday and Tuesday.

G. M. Johnson, of South Bend, is president of the organization. The Indiana Electric Light Association will meet here Wednesday. The program will be in charge of T. N. Wynne, of Indianapolis, president.

On Thursday, Friday and Saturday of next week the Great Lakes division of the National Electric Light Association will hold its annual meeting here.

WOMAN WILL RUN AGAINST "MA" FERGUSON FOR GOVERNOR OF TEXAS

Fort Worth, Tex., Sept. 18.—It will be "Woman vs Woman" in Texas next year.

For Governor "Ma" Ferguson in her campaign for re-election will be opposed by another woman—Mrs. Edith Willmans of Dallas.

Women never fight harder than when fighting each other and the Texas gubernatorial campaign promises to be a unique battle from start to finish.

Both "Ma" and Mrs. Willman are noted throughout the state as "political amazons." Both are certain to take the stump, and the Klan is likely to figure prominently in the contest.

Mrs. Willmans has announced she will be a candidate for the Democratic nomination, which of course is equivalent to election, and already has started to fight.

In the announcement of her candidacy she took a fling at "Ma" by saying that "Husband Jim" Ferguson is the real governor of Texas, Mrs. Ferguson only visiting the capitol occasionally to sign documents.

"No individual will dictate affairs of the state over my shoulder, if I am elected," Mrs. Willmans says, defiantly.

"If I go into the governor's office I will form an advisory council, consisting of the president of the senate, speaker of the house, heads of important departments and three prominent Texas women."

"Ma" Ferguson and Mrs. Willmans are exactly opposite types.

"Ma" is strongly opposed to the Klan and made it a leading issue in her campaign.

Mrs. Willmans is a Klanswoman. Governor Ferguson is a quiet woman of the rugged type. She is frank and blunt in her few speeches and talks little about things strictly political.

Mrs. Willmans is a good mixer, possibly more of a politician in the accepted sense of the word, and delights in discussing state issues. She is the only woman ever elected to the state legislature and is an attorney. Last winter she was secretary of the House Appropriations committee.

She can make as good an extem-

poraneous political speech as any man, while "Ma" on public occasions usually reads a brief typewritten statement.

The only point of similarity in the two women seems to be that both are excellent housekeepers, for "Ma" still finds time to preserve large quantities of peaches.

Mrs. Willman's law practice has been concerned mainly with cases involving domestic relations, but occasionally she handles a criminal case. She has three daughters and her husband is dead.

While in the legislature she sponsored measures to compel all children up to 17 to attend school; to require good health certificates for all persons desiring to marry; to give financial aid to families when the father has been sent to an asylum; to provide more humane treatment of prisoners.

Jazz music, sensational movies and extremes in woman's dress grate on her nerves.

One of the first laws she hopes to have passed if elected governor will be one giving a married woman the right to sell her property without the consent of her husband. She can't do this now in Texas.
